- ❑ Highly available Citrix infrastructure on Nutanix HCI Replacement of existing traditional VPN Solution
- ❑ Data Leak Prevention
- ❑ Security Compliance

EXECUTIVE SUMMARY

With the aim of bringing financial products closer to retail customers by helping them invest smartly in multiple highly rated financial products.

From a very humble beginning of one office and a two-member staff at Fort, Mumbai, today we are grown to become India's largest Retail Financial Products Distribution House with 500 plus retail branches in over 200 locations with the patronage of over 5 lacs customer families. We aspire to become the Customer's First Choice in Financial Products Distribution across India.
